I. STATUTORY DIRECTIVE

The Indiana General Assembly enacted P.L. 114-2008, SECTION 34, directing the Task Force to do the following:

- (1) Conduct at least one (1) public hearing to receive comments from the public on the need for further amendments to IC 13-30-10.
- (2) If the task force determines that further amendments to IC 13-30-10 are appropriate, prepare recommendations for amendments to IC 13-30-10 that are consistent with the minimum requirements for the department of environmental management delegated state programs.

II. SUMMARY OF ACTIVITY

The Task Force did not meet during the 2008 interim and therefore made no recommendations.
